

We believe God is inviting us as a community to **take our next step together**. 2019 begins an exciting new chapter for Good Samaritan's ministry — one focused on deepening our ministries and discerning our future. Here's what this means for us, practically, this year:

- We'll develop a solid, sustainable plan for moving to a regular gathering space/place when our Harris Academy lease ends in August 2021.
- We'll support our priest, taking the next step toward fully funding his salary, and we'll nurture his spiritual development so he can continue to help lead us in this adventure.
- We'll deepen our commitment to stand with and for people in the margins in the neighborhoods we serve (such as the students at Brownsburg High School Equality Alliance).
- We'll engage in another round of Racial Healing and Reconciliation work.
- We'll continue to invest in children's and youth formation, nurturing our young people in a

life of love and service.

- We'll deepen our focus on key outreach partnerships with Brownsburg Food Pantry, Harris Academy, Family Promise, and Sheltering Wings, working on more in-person connections with people in need.

We're inviting each of our 88 households

to **Take The Next Step** in your giving as an act of your discipleship in Jesus Christ, your faith in what God has in store next for us, and as a sign of thanksgiving for this community we share in Christ. Consider your current monthly gift and find where your household currently falls on the chart of Good Sam's many generous givers. After spending time in prayer and with a thankful heart, will you consider helping us **Take The Next Step** through your giving for 2019? We'll be offering our commitment to giving cards as part of our worship today. You can also make a pledge online at ChurchThatServes.org/connect/pledge/
